

**WROCLAW UNIVERSITY
OF ENVIRONMENTAL
AND LIFE SCIENCES**

Dear Ladies and Gentlemen,
**The Faculty of Biotechnology and Food Science,
Wrocław University of Environmental and Life Sciences**
together with the Wrocław Branch of the **Polish Society of Food Technologists**
greatly welcome You to participate in

**International Conference: Biotechnology– Research and Industrial Applications
BRIA-2024**

The conference will take place in Wrocław from **12 to 13 September 2024**.

Problems to be discussed:

1. MICROORGANISMS.
2. BIOSYNTHESIS, BIODEGRADATIONS and BIOTRANSFORMATIONS.
3. APPLIED BIOTECHNOLOGY.
4. PLANT BIOTECHNOLOGY.

Outstanding Polish and foreign specialists are invited to give presentations during the Plenary Sessions within the Conference (English is an official language).

The conference fee 1100 PLN (or 250 Euro) and 860 PLN (or 200 Euro) for young scientists (students, PhD students) covers conference proceedings, lunches and coffee breaks, banquet. The fee does not cover travel and accommodation costs. Registration form with abstract should be submitted on the conference website: <https://enbriaconference.wordpress.com/>

It will be also an opportunity to visit our beautiful city Wrocław, which was recognized as the European Capital of Culture in 2016.

Organizing Committee
associate professor Magdalena Wróbel-Kwiatkowska
Kinga Pilarska-Dudziak (PhD)
